(b) if so, what are the details thereof; and

(c) whether any irregularity or favouritism has been committed in this allotment?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI M. ARUNACHALAM): (a) Yes, sir.

(b) and (c) A statement is enclosed.

Statement

1. Flat No. 7 has been allotted to Shri L. Tsering and Shri Sonam Wangdi.

2. Generally allotments are made either on tender basis or on 'first come first served' basis out of the applications received/pending with NDMC depending circumstances of each case. Reservation of 12.5 per cent for Scheduled Castes and Scheduled Tribes categories is also to be made while making the allotments on the basis of the instructions of Government of India on the subject.

3. Out of the 16 residential flats, with the NDMC in Yashwant Place, 9 flats and equal number of servant quarters and garages and a hall in the same complex were allotted to the "Society of Servants of God". The Society has blocked the Emergency Exit/Escape and has endangered the lives and property of the other allottees and public at large. The society did not remove the obstruction in spite of notice by the NDMC. The NDMC, therefore, cancelled the allotment of the entire property. Flat No. 7 was allotted to Shri L. Tsering and Shri Sonam Wangdi belonging to ST community whose applications were received in August, 1991.

4. The NDMC has reported that no irregularity has been committed in making these allotments.
